● OCTOBER 2023

Inframara joined the Belgian Economic Mission to Australia

NEWS – OCTOBER 2023

The Belgian Economic Mission to Australia organised by Flanders Investment and Trade (FIT) and headed by H.K.H. Princes Astrid took place between 23 to 27 October 2023. Inframara were in attendance with both Kenneth Willems from head office and David Kinlan from the branch office joining the mission and having business to business meetings with clients in the ports and offshore wind sectors.

- Tender Management
- Project Finance Advisory
- Risk Management
- Collaborative Coaching

The visit started in Sydney with a site visit to Port Kembla and then moved to Melbourne and a site visit to Bell Bay, Tasmania. The mission was extremely fruitful, and many good contacts were made not just with prospective clients but with other Belgian businesses who took part in the economic mission. A big thank you to Kim Demeyer, Catherine Van Der Merwe, Luka Bottallo and all at the FIT team who made the mission such a great success.
